We at Premier London Property offer

services and as such have constant need for a reliable cleaning contractor.

Over the past 18 months, we have worked with Fantastic Cleaners on many projects.

From after tenancy cleaning to after builders and private one-off deep cleans, you name it we booked it.

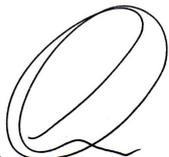

Their professional cleaning service and in particular their reliability are superb. We also use their carpet cleaning and window cleaning service a lot, which is equally FANTASTIC!

There has not been a time yet where the guys at Fantastic Cleaners did not meet our expectations. From the call centre to the people on the ground we think Fantastic Cleaners is one of the best cleaning companies that we have ever dealt with.

In particular I would like to mention their good time keeping, quality of service, value for money, responsiveness and flexibility. They are a dedicated bunch who will do everything in their power to even accommodate very short notice cleaning requests.

In short we at PREMIER LONDON PROPERTY highly recommend the FANTASTIC CLEANERS and think that the company name is very appropriate because they are FANTASTIC!

Yours faithfully
